# THE LISTENING LEADERS® WORKSHOP

March 8, 2006 Listening Leaders Participant Testimonies

"This course gave me real tools that I can use to improve my listening as well as my leadership abilities."

~ Michael Tyler, Technology Consultant, Florida League of Cities

"This is real world stuff you can put into action immediately. Rick conveys the message and is very engaging."

~ Doug Worswick, Exec. Vice President, Certified Slings & Supply, Inc.

"Great! A lot of useful, practical information. Easy format to take back and keep "alive" at work and home."

~ Amy Medley, Safety & Environmental Coordinator, Regal Marine Industries"

"This workshop helped me to set up a system of listening that will allow me to be a better leader of myself."

~ Mark Mulligan, Professional Geologist, S&M, Inc.

"My attention was kept throughout the day. It has changed my perception of the purpose of listening. What I learned can be applied immediately. I can add value to my organization by practicing listening leadership skills."

~ Charlene Morris, HR Trainer, Space Coast Credit Union.

**"Of the major competencies of a leader, the first is the willingness, ability, and self discipline to LISTEN."**

~ Dr. Peter Drucker, Father of Modern Management
